

Help Us Reach our Goal!

The Upstate New York Women of the ELCA have set a goal to sew or tie 500 blankets and quilts by 2017.

In a way to honor the 500th Anniversary of the Reformation in October, 2017, the Upstate NY Women of the ELCA have set a goal to sew or tie 500 quilts or blankets. We look to Katie Luther as one of our role models and the care she took of the home and farm as Martin was teaching and preaching. We wanted to honor the many contributions made by Katie to the Reformation movement.

Does your church have a quilting group? It may or may not be affiliated with the Women of the ELCA. However, we would like to join with these groups to provide warm and wonderful quilts and blankets.

Each group may donate their quilts to whatever organization they wish but, if you would be willing to add your number (on paper) to ours, we would like to show how many fine items are being donated from Upstate churches.

For more information on this project and how your church can participate, please contact Sue Fox at 245sfox@gmail.com or 315-342-3175.
